Jan Lynn Owen, the Commissioner of Business Oversight (Commissioner), is responsible for administering and enforcing the California Franchise Investment Law, and registering the offer and sale of franchises in California, pursuant to Corporations Code section 31000 et seq. The Commissioner finds the following:

**I.**  
**STATEMENT OF FACTS**

1. Dental Support Plus Franchise, LLC (Dental) is an Arizona limited liability company

with its principal place of business of 8149 North 87th Street, Suite 139, Scottsdale, Arizona 85258.

2. Kent Maerki is or was Dental's President and Co-Founder and Norma Jean Maerki (formerly Norma Jean Coffin) is or was Dental's Vice President and Co-Founder (referred together as the "Maerkis").

3. Dental was a franchisor engaged in offering and selling franchises with a business plan of soliciting patients for dentists.

4. Dental, by and through the Maerkis, registered its franchise with the Commissioner in 2011, 2012, and 2013.

5. To become registered in California, the Maerkis filed registration applications pursuant to Corporations Code section 31111. These applications included a Uniform Franchise Disclosure Document ("UFDD"). Their UFDDs failed to disclose that Kent Maerki was permanently barred by the National Association of Securities Dealers (NASD) (now known as the Financial Industry Regulatory Authority or FINRA) on January 28, 1977.<sup>1</sup> In fact, these UFDDs represented that no such order existed. These applications were signed under penalty of perjury.

## II. DESIST AND REFRAIN ORDER FOR VIOLATION OF CORPORATIONS CODE SECTION 31200

6. Corporations Code section 31114 requires an application for registration to be accompanied by a proposed UFDD including additional disclosures specified by rule of the Commissioner. Title 10, California Code of Regulations, section 310.111, subdivision (c) (Rule) states that when an application is filed using the UFDD, the applicant shall include the required information set forth in Rule 310.114.1. Rule 310.114.1, subdivision (c) requires disclosure of any currently effective order of any national securities association expelling certain persons, including the franchisor's officer, from membership in that association.

7. Corporations Code section 31200 provides:

---

<sup>1</sup> FINRA, formerly the NASD, is the national organization that regulates the securities broker-dealer industry.

It is unlawful for any person willfully to make any untrue statement of a material fact in any application, notice or report filed with the commissioner under this law, or willfully to omit to state in any such application, notice, or report any material fact which is required to be stated therein, or fail to notify the commissioner of any material change as required by Section 31123.

8. Corporations Code section 31406 provides:

(a) If, upon inspection or investigation, based upon a complaint or otherwise, the commissioner has cause to believe that a person is violating any provision of this division or any rule or order promulgated pursuant to this division, the commissioner may issue a citation to that person in writing describing with particularity the basis of the citation. Each citation may contain an order to desist and refrain and an assessment of an administrative penalty not to exceed two thousand five hundred dollars (\$2,500) per violation and shall contain reference to this section, including the provisions of subdivision (c). All penalties collected under this section shall be deposited in the State Corporations Fund.

(b) The sanctions authorized under this section shall be separate from, and in addition to, all other administrative, civil, or criminal remedies.

(c) If within 60 days from the receipt of the citation, the person cited fails to notify the commissioner that the person intends to request a hearing as described in subdivision (d), the citation shall be deemed final.

(d) Any hearing under this section shall be conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code.

(e) After the exhaustion of the review procedures provided for in this section, the commissioner may apply to the appropriate superior court for a judgment in the amount of the administrative penalty and order compelling the cited person to comply with the order of the commissioner. The application shall include a certified copy of the final order of the commissioner and shall constitute a sufficient showing to warrant the issuance of the judgment and order.

9. Penal Code section 7 defines willfully as a purpose or willingness to commit the act, or make the omission referred to.

10. Based upon the foregoing, the Commissioner believes that Dental Support Plus Franchise, LLC, Kent Maerki and Norma Jean Maerki willfully made an untrue statement or omission of material fact in the registration applications filed, under penalty of perjury, with the Commissioner, in violation of Corporations Code section 31200 by not disclosing the bar order issued by the NASD

and representing that no such order existed. Pursuant to Corporations Code section 31406, Dental Support Plus Franchise, LLC, Kent Maerki and Norma Jean Maerki are hereby ordered to desist and refrain from willfully making any untrue statement of material fact in any application, notice or report filed with the Commissioner under the California Franchise Investment Law or willfully omitting to state in any application, notice or report any material fact which is required to be stated therein.

This order is necessary, in the public interest, for the protection of investors and consistent with the purposes, policies, and provisions of the California Franchise Investment Law.
